

MEMBERSHIP APPLICATION

If you or your truck maintenance decision-makers are not members of the GMTA Fleet Maintenance Council, you should be, and now is the time to join. It doesn't matter whether you're a large carrier or small one, private fleet or for-hire, shop foreman or company owner, the FMC provides an easy and accessible source of ideas, information and professional development. Representatives of GMTA Affiliate-member companies are also welcome to participate as Council members.

Ask any FMC member what the primary benefit of membership is, and they will tell you that it's the monthly meetings. You will have the opportunity to meet at least 11 times a year with your colleagues and/or customers to talk over common problems and their solutions. We are a forum for the exchange of information and ideas. Our meeting programs feature topics of interest presented by some of the best and most knowledgeable people in the industry.

Joining the Fleet Maintenance Council will not only help to make you a better truck maintenance professional, but also it will offer you the opportunity to give something back to the industry. We would welcome your energy and experience on any of our standing committees: Program, Membership, Education and Training. Your work in these and other related areas can have a truly positive impact now and for years to come.

Membership in the GMTA Fleet Maintenance Council is easy and affordable. As an FMC member, you will receive:

- Monthly mailing, featuring a program notice for that month's meeting and a newsletter updating you on what's going on with our members.
- Large wall calendar marked with dates of monthly meetings and other major GMTA and industry events.
- Periodic seminars and workshops on issues that require more discussion time than monthly meetings allow.
- Reduced registration fees for your technicians to any FMC-sponsored seminar or workshop.

All FMC members receive the same benefits listed above. To join with us, just complete the application and return it with your check for the appropriate dues amount. Do it today!

ANNUAL DUES

- \$35.00 For employees of GMTA-member companies.
- \$70.00 If your company is not a member of the Georgia Motor Trucking Association.

- Fleet Member** Any member whose professional responsibilities involve him/her in the truck maintenance operation of their fleet.
- Associate Member** Any member whose professional responsibility is the selling and marketing of products and services to the trucking industry. Your company must be a member of the Georgia Motor Trucking Association.
