**Ringgold Truck Safety Inspection - March 11<sup>th</sup>**

Please join members of GMTA's Northwest Chapter, the Safety Management Council and the Motor Carrier Compliance Division of Georgia's Dept. of Public Safety for our truck safety inspection and driver outreach in Ringgold on Thursday, March 11. Inspection teams will meet at 9:00 am at the Georgia scales near Ringgold (**I-75 southbound**, just south of the exit #345) to begin the morning activities.

Our friends from the Motor Carrier Compliance Division will be on hand to answer questions about vehicle safety. So, if you are a northwest Georgia motor carrier and want to know how to prepare your vehicles for roadside inspections, here is your chance to learn and participate. And a special thanks to John Egan and our friends at Salem National Lease in Dalton for sponsoring our lunch for the inspection.

So please take the time to join us in Ringgold; you will be glad you did!

**WHEN/WHERE: Thursday, March 11 – 9:00 am – 2:00 pm**
